Contemporary Visual Culture Presents

VISUALEYEZ

9TH ANNUAL PERFORMANCE ART FESTIVAL
PRESENTED FROM JULY 18TH - 27TH

HELP SUPPORT Become a Friend of Visualeyez
Be a part of the only Annual performance art festival in Canada!

We are looking to all Visualeyez & Latitude 53 fans to help make the festival more sustainable through the 'Friends of Visualeyez' program.

This year's festival will feature diverse artists, including:

Karen Spencer (QC)
Margaret Dragu (BC)
David Khang (BC)
Alexis O'Hara (QC)
Kira O'Reilly (IRE)
Robin Brass (SK)
Paul Couillard (ON)

Visualeyez is a unique festival for a few reasons:

- * It is the only annual festival of performance art in all of Canada.
- * It is a unique experience in terms of festivals in Edmonton.

Unlike many festivals, Visualeyez has a thematic focus each year. Past themes include ritual and ceremony, domesticity, and the city. For 2008, curator Todd Janes has selected the theme of Justice.

By becoming a 'Friend' you will receive:

- * A 'Friends of Visualeyez' button.
- * One FREE drink.
- * Performance previews of upcoming shows and artist bio's.
- * The great feeling of helping to make Visualeyez a sustainable festival.

How will a \$10 membership make Visualeyez sustainable?

Becoming a 'Friend' not only helps us build sustainable audiences and generate some revenue for the festival—it enables us to tell funder's that we have bonafide supporters who want to see us presenting engaging work, year after year.

- Yes! I would like to become a 'Friend of Visualeyez'! (\$10)
